TIMELESS AS OUR HERITAGE,
AND AS EXCEPTIONAL
AS OUR MEMBERS.

QUALITY

We source local whenever possible.

If local is not feasible, we search out the highest quality of sustainable products available.

We are committed to making products from scratch whenever possible.

All steaks now cut in house.

Otto's chicken arrives fresh never frozen, as a whole chicken, and is broken down from there.

Fruit and vegetables will change with the seasons.

We are committed to implementing zero waste practices.

MICHIGAN GROWN. MICHIGAN GREAT.
